Book 2 Knock, knock...Bang, Bang, Bang

Urgh! Who is banging on my door this early on a Saturday morning? Renee mutters while making herself coffee in her small apartment kitchen. She looks up at the time on the microwaves clock After almost no sleep last night-this is the last thing that I need at 7:00 am. She complains. The coffee cup slams onto the kitchen granite countertop, and Renee charges toward the front door. She whips the door open. Melaine? Wha...Why.... Before Renee can manage a sentence, Melaine walks directly in without waiting to be invited in. So this is where you spend your nights, and weekends. Hmm...Quaint! Melaine comments. Renee stares at the woman confused, and somewhat worried. Melaine, why.... Renee begins, but Melaine interrupts. Renee, I know youre wondering why Im here. Melaine begins in a softened tone. Colin told me everything that he did to you yesterday. He really does feel awful, and I am sorry too. Renees eyes widen. She knows? He told her! Melaine keeps talking. He doesnt want you to leave the firm...he knows youve worked hard, and deserve every chance you get. Melaine continues. Renee is slightly agitated by the comment. Still, she appreciates all Melaines done for her. Shes discerned that her boss genuinely took her under her wing, to mentor, and grow her creative gift, but her boss boss, and founder of the company - Colin Winston - had been cruel to her. As far as she is concerned, he is a predator. Book 3

Renee! Honey, what are you doing here? Pilar, Renees mother comes out her home, excited, and surprised to see her daughter sitting in her car, in the driveway. I thought my eyes were playing tricks on me. You hadnt said that you were coming down to visit this weekend? Renee remains sitting still in the drivers seat of the car. She is numb. Renee...Renee honey, whats wrong? He mother asks. Renee had

actually been sitting in the driveway for about twenty minutes before her mother realized she was there. Renee! Pilar hollers, now standing by the drivers door, looking into the window. Renee awakes from her somewhat comatose state. Ma, what are you doing? Renee asks looking at her mother strangely. Why are you just sitting in the car? Why dont you come in? Pilar asks her daughter who is acting strangely. Renee rolls her eyes. Im coming Ma. Can you back up a bit? Renee asks, giggling at her hovering mother. Pilar looks down, and around her, and then steps back. Renee exits the car. She wraps her arms around her mother, and embraces her firmly. Renees mother returns an equally tight embrace.
