Things are going great for Beth Carlisle and her two older sisters. Their once rocky relationship is stronger than ever, each has met the man of her dreams and The Sea View Resort that they inherited from their father is thriving. Finally, their lives seem to be heading in the right direction. But, even so, Beth can't seem to shake the bad feeling she has. A feeling like evil is coming. And it started when she met the young boy whose family recently moved into one of the cottages near The Sea View.

She knows how crazy that sounds. Ashtons just a ten year old kid. But there's something about the gold flecks in his eyes.

About the almost electrical tingle she felt when she shook his hand for the first time. And about the way his predictions seem to be coming true. Find out if Beth's concerns are warranted in Sinister Love, Book 4 of The Carlisle Sisters! NOTE: This is a clean & wholesome paranormal love story with a HEA/Happily Ever After Ending!
