

Her Mothers Love 4

Graduation has finally arrived! After everything she has been through to get to here this should be a day filled with happiness but it isn't for Shuntay Phillips. The more she tries to move on with her life the past doesn't seem to want to let her, but Shuntay is tired of being the victim! She is ready to face whomever and whatever she has to; to get the answers to the questions that continue to plague her. In her search she finds a new evil worse than Mary could ever be! As if this new foe wasn't enough her nightmares have returned with a vengeance but will she understand them before it's too late for someone she loves? Decisions are made, questions that no one knew existed are answered with the help of an unexpected family member by her side but will these answers be too much for them all to handle?
