

## Substance Abuse (Get Off Your Ass Book 1)

Learn to Stop Substance Abuse and regain control of your life. This book will help you stop the addiction cycle and help you if you should relapse. Consider these thoughts and see if your lifestyle fits with any of them: People drink/use drugs to increase pleasure and/or decrease pain, not because they like the taste. Some people like lemonade, but I doubt you'll see them drinking 12 lemonades in succession. If you have said I can quit anytime but haven't, you probably can't. If you have ever said to yourself, I need to slow down or quit this stuff, something is wrong. This thought never crosses a social user's mind. The use of mood-altering substances takes away reasoning, causing you to operate on emotions not intellect. Yes, you can get addicted to beer. It has alcohol in it. No one is slightly addicted. That's like being slightly pregnant. You stop growing emotionally when you begin to abuse chemical substances. Our confidence and self-respect are replaced by false pride and humility. It can hold us back from achieving the success we want. Regain that balance in your life now. Begin to recapture the motivation and drive you desire. Discover that life without chemicals can be enjoyable. Become more productive. Achieve success. Gain self-respect and respect from others. Remove the guilt and remorse you may have experienced due to substance abuse. Feel healthier both physically and emotionally. Learn how to kick your substance abuse habits forever and regain control of your life.
