

Address Book

Stay organized and keep track of addresses of family, friends and acquaintances with this jumbo-sized address book. This book includes double the page count of most address books, and its much larger, so there's more room to write. Designed for people who want to keep track of all their address in one place. It's always good to have a written record of everything, rather than keeping all of your records on the computer. Record names, addresses, cell and home numbers, work, fax, email addresses, birthdays and other notes. (Holds 300+ addresses!! Great value) ***Check out our other JUMBO address books to find a cover that meets your style preferences. All of our books have more pages than other address books on the market and they are jumbo sized, so you have plenty of room to write. We also create menu planners, recipe organizers and other types of books.

More than 25000 people use the app.1) Auto back up on the cloud.2) Sync up addresses across multiple android device.3) Share storedNew in Font Awesome 5 the re-designed solid style icon address-book.To open your address book, click on Contacts in the navigation panel.
