

An Heir of Uncertainty

Yorkshire, 1820 Lina, Lady Radbourne, thought being a countess would rescue her from poverty. Unfortunately, her young groom failed to plan for the future, and his drunken accident left her widowed and pregnant. Now Colonel Winstead Vaughan Winwill inherit her late husbands fortune unless she gives birth to a boy. Win is her natural enemy, so why cant she stop thinking about him? Win is stunned to learn he stands to inherit a vast fortune. Hes even more surprised to find himself falling for the beautiful, spirited Lady Radbourne, who is the one woman who stands in the way of a life hed only imagined. When someone tries to poison Lady Radbourne, suspicion falls on Win. Theres a clever killer in their midst, and if Win doesnt solve the mystery fast, Lina may perish. He needs to win her trust, but how can he prove its she he wants, and not the fortune? 86,000 words
