

Evidence the Bible is True (5 copy bundle)

This program is an interactive presentation of biblical apologetics including the areas of science, archaeology and prophecy. The program also provides a clear presentation of the gospel and some helpful follow-up information for new believers. It includes professional-quality video, audio, graphics and text. The program is designed for Christians to enjoy and then purchase copies for their friends, neighbors and co-workers who do not yet know Christ. I am currently pricing it at \$10 per copy or \$30 for a set of five disks. It also is available for churches to use it as an advertising piece, like giving away a pen. A church could have its own special section with video, audio, graphics and text. It could be given to guests as a gift for coming to the guest center.

The historicity of the Bible is the question of the Bible's acceptability as a history, in the words of Thomas L. Thompson, a scholar who has written widely on this topic as it relates to the Old Testament. This can be extended to the question of the Christian New Testament as an accurate record of the historical Jesus.
