

Stolen: Rebirth Series Prequel (The Rebirth Series Book 0)

Author Note: This book takes place before and during *Damaged*, it can be read before, but I strongly urge that this be read AFTER *Damaged*. (this isnt a gimmick or anything, the way the story is set it does do spoilers for *Damaged*) Xavier is set to protect the dying races. As a fierce gargoyle warrior, he isnt meant to love deeply. Drake is the last of his kind, and survival isnt easy. Xavier recognizes Drake as his true mate the first time they meet. However, Drakes tormented past has led him to the wrong woman. Xavier must do what he can to save Drake from the choices hes made. If Drakes resentment, fears, and stubborn denial can be overcome, theyll have a love that could bridge the races. This isnt a story of redemption. This is their story. Warning: This is technically an adult book. There are exploit scenes of sex, torture, and violence. This isnt meant for readers under the age of 18. Please note this is a Male/Male Romance.
