

Battered Not Broken

Ryan Moore forged his own path when he defied his wealthy family's expectations by joining the United States Marine Corps as an enlisted man. After a period of service that was cut short by an IED explosion, the lingering physical and mental effects of war result in an isolated struggle to exist in the civilian world. He throws himself into competitive MMA fighting, the one thing he's still able to excel at, even if every match is a risk he can't afford to take. His first encounter with amateur female fighter Ally Rivera ignites a spark of desire he hasn't felt since before a bomb left its marks on his life and his body, but his flirtation with her turns out to be anything but harmless. She's struggling to hold together a family ravaged by violence—a feat that isn't easy when her father has been imprisoned, leaving her vulnerable to relatives who run a local gang. Can two unrelenting fighters overcome challenges they couldn't defeat alone, or do the wounds of war and crime run too deep for even love to heal?

Gillian Locke has been beaten, battered, and bruised, but her ex-boyfriend still hasn't managed to break her. When she leaves Kyle for the last time, she knows
