

Before You Go (Impossible Love Series 1)

Discover the Impossible Love Series with the international best-selling romance novel that started it all. Perfect for fans of Tammara Webber and Colleen Hoover! A hook-up with a hot stranger from the local bar--what could go wrong? Yes, I know how it sounds, but trust me, I've thought it through. I've spent the entire summer thinking it through, and I've found the perfect place to begin--off the beaten path and, most importantly, far from campus. He's the one. I know it as soon as I spot him--an intellectual type reading a book with wild hair, square jaw, and what looks to be very kissable lips. He's what I've been waiting for. My summer of practice all comes down to this. A one-night-stand. And if I can go through with it, I can take control of my life and finally move beyond my past. But once I get my perfect stranger home and half naked? Nada. And when I see him again, it's not any better. I soon find out that he's not only a student at my new university, he's also my student advisor. Worse? This time, he's the one with the plan. *Before You Go* is about a chance meeting, an unexpected connection, and a unique romance that survives the worst of situations.
