

A Dragon's Mark (The Paladin Dragons Book 6)

Aki has lived and trained in the human world for hundreds of years. Perfecting martial arts and learning to control his emotions. After the loss of one love, he just as soon fight the Shen for an eternity before he faced grief once more. On one foray into the badlands looking for more portals, Aki finds himself in a battle with their nemesis and trapped. Cornered with no way out, he finds his saving grace in a portal and the woman who took his hand on the other side. Aki found himself at the feet of Caye Deveaux and looking up at the most beautiful woman he ever seen. Unable to resist, Aki wanted to be in her company more and more. By doing that he put her in the gravest of danger, especially when the Shen follows him to her home. Aki was in a battle for his life and her love, and on the brink of losing the woman who healed his shattered heart. Caye didn't expect that taking pictures at the Chihuly Gardens at night to be anything more than routine, so seeing a hand reach from the other side of nothing was a complete surprise. With the Space Needle above them, the biggest man she ever seen fell to his knees and looked up at her. Caye lost herself in his emerald green gaze, and now she was living in the midst of mystery, magic, and dragons. Aki's wounds ran deep, and each minute with him Caye felt herself falling for the quiet dragon shifter who never slept. But the war that he and his people faced threatened to keep them apart and put both their lives on the line.
