[Siren Classic ManLove: Erotic Alternative Cowboy Romance, M/M, sex toys] Matthew McCallister knew coming out to his father, a very conservative minister, would be the end of life in his hometown. With his younger brother, Ruben, by his side, he flees their hometown only to be arrested for kidnapping and theft. But the sheriff of Cade Creek seems to believe in Mattys innocence and suggests that he and Ruben hide out at the Blaecleah ranch. Matty is in no way prepared for the Blaecleah family, especially Quaid Blaecleah. The man is gorgeous and kind, a combination Matty isnt used to in men hes attracted to. When Quaid proposes marriage as a way to save him from his father, Matty is terrified to agree because hes been used in the past. Hes just as afraid to say no. Quaid intrigues Matty in a way hes never experienced. When Mattys father arrives in town and starts making threats, can Matty trust Quaid to keep him safe, or will he be burned again? \*\* A Siren Erotic Romance
