The novel sold on release day contained minor errors, all of which have now been resolved. Sloane Im not safe. I havent been safe for a while now. I ran to Zeth for protection, but Zeth is in danger himself. With Julio on one side, and the leader of the Widow Makers MC on the other, the smartest thing to do would be to run. Ive been running long enough, though.

This is the closest Ive come to finding my sister in two years. I cant back down now.

Zeth My right hand mans being tortured in the basement. The guy who tried to buy Sloanes virginity is burning rubber in our direction. My psychotic boss is on a mission to find me, and the girl Im supposed to be keeping safe has landed herself right in the middle of all of this. Just another breezy weekend in the Californian desert. What could possibly go wrong in the next 48 hours?
