GOLD FEVER Adrian OShea has just had the worst day of his life. Not only has his fiancée dumped him, his business has gone bankrupt. AND he finds himself 150 years in the past, taking the place of his great, great grandfather of the same name. Adrian soon learns that he has been returned to the past to fix up the mess his forefather was making of his life. The original Adrian OShea was a drunkard, dragging his beautiful wife Cassandra into poverty with him. Cassandra, recovering from a painful miscarriage, begins to see a new side to her husband, a man she had been close to hating, and wonders if perhaps their marriage might stand a chance after all. But there are people who want Adrian dead. Trying to stay alive becomes as big a struggle for him as trying not to fall in love with the charming and gentle Cassandra, who is, after all, another man's wife.

LORD OF MY DREAMS When Drew Regent goes to the gallows in 1509 the Gods hand his soul to a denizen named Demeana, with the condition that every 100 years he be returned to Earth for one month to redeem himself by finding love. So when Demeana drops him in the path of Caitlin and Maddie's car in the year 2009, all three of them are in for more than anyone bargained for. On the night Caitlin O'Keefe meets Drew she begins dreaming about a woman called Catherine Byron, whose parents are negotiating her marriage to the eldest son of the cruel Lord Regent in Tudor England. Little does she know that Demeana had sent a Dream Catcher to bring her Caitlin's dreams, firmly believing that when Caitlin discovers how Catherine died, Drew will fail yet again, and Demeana will be able to destroy him at last. Recovering from an abusive relationship, the last thing Caitlin wants is

to get involved with another man, but she cant help being drawn to Drew, whose whole future existence is now in her hands.SIRENS SONGThe Ship that traveled through timeHaving recently lost her beloved father to cancer, the last thing Jessica Hart needs is to come across a confused and injured stranger on the beach near her home.
