

Forget Me Knot: Crawley Creek 1 (Volume 1)

Lacy Denvers has lost her job, and lost her way. All she wants to do now is get her career back on track and find some stability again, but first, she wants to mark something off her bucket list: She wants to learn to ride a horse. Her dream vacation to the Crawley Creek Cattle Ranch turns into a lesson in patience when the North Dakota winter proves unpredictable as ever. Wrapped in a cocoon of snow, Lacy finds the ranch to be a hidden treasure trove of cowboy eye candy, and her mouth is watering even as her brain is telling her to run. After a devastating tragedy, a young Drannon Russo ended up fostering with the Crawley family, and found a home. Hes only moved away once and had to lean on family for support when his dreams were shattered. Being a cowboy on a ranch is a pretty lonely existence. When a beautiful redhead shows up looking for a fresh start hes determined to give them both what they want. Will this vacation into the heart of cattle country turn out to be a mistake, or will Lacy and Drannon find their future in each other? Warning: Explicit romance
