Reign takes you into the world of vampires, werewolves and outlaw motorcycle clubs in this fast-paced paranormal series
DESCRIPTION: After more than 200 years of being dead on the ocean floor, vampire Dominic Kollar is released in the year 2012, only to find out that the rules have changed. Bounty Slayers are responsible for keeping Vampires in line. As Dom acclimates to the strange modern world, he discovers that he really likes two things: riding motorcycles and the sight of a mysterious, bewitching lady. Aided by an old vampire frenemy, Dom confronts human bikers in order to infiltrate their gang and find the object of his blood lust. As long as he can keep himself fed in this new world of challenges, Dominic Kollar will make a stand, avenge his past and attempt to destroy those who dared to cross his path.
REVIEWS In this era of funny, romantic, and sensitive vampires (all of which I like) it is nice every once in a while to get back to an old fashioned gritty vampire. This is exactly what you get with April's story of Dominic, a recently resurrected vampire. Dominic finds that life as he knew it over 200 years ago is gone. In place of horses and carriages are chrome and steel motorcycles. Dominic arises with revenge on his mind and he has no intention of following the rules.
Efinn1 (Amazon Reviewer) A Q&A with Author April M. Reign
Q.You are very prolific. What's your secret for getting so much work done?
A. My secret is consistency. Every day, I sit in front of my laptop and I write. I may only write 200 words (on a bad day) or 3000 words (on a good day) but there is never a day that goes by when I don't write.
Q. Who are some of your favorite authors?
A. I fell in love with reading at the age of fourteen. I started the

series *Flowers in the Attic* by V.C. Andrews. That series sparked this insatiable need to read more. Over time, I've read and enjoyed books by: Nora Roberts, Stephen King, James Patterson, Sandra Brown, Jude Deveraux, And many more. Q. Are there any new authors that have grasped your interest? A. With the increase of indie authors, there are gems everywhere. I've enjoyed books like *The Body Departed* by J.R. Rain and *Divergent* by Veronica Roth. I recently read *The Edge to Never* by J.A. Redmerski. Q. From the looks of it, you have five series and several standalone books in different genres and you're branching out into horror. Which genre do you enjoy the most? A. So far, I've written in Romance, Mystery thrillers, Sci-Fi, Urban Paranormal, and supernatural horror. Each genre has fulfilled my need to dabble in categories across the board. I don't have a favorite genre. I thrive in the elements of the story and the characters. I do have to admit, I love the adrenaline rush of writing a fast-paced fight scene.
