

Caged in Winter: A Reluctant Hearts Novel

In this emotional and sexy New Adult debut from Brighton Walsh, the only thing more frightening than commitment is hope...Aspiring chef Cade Maxwell is immediately, viscerally attracted to Winter Jacobson. But its not her mouthwatering curves hes drawn to--its the strange emptiness in her eyes. When Cade saves her from a drunken customer with grabby hands, hes shocked at her response...Winter doesnt need Cades help. After a lifetime of getting by on her own, shes happy to rely on herself. Shes exactly seventy-six days away from graduating college, and if she can hold it together that long, shell finally be able to rise above the crappy hand she was dealt. But now, every time she turns around, Cade is there, ready to push her, smile at her, distract her from her plans. Winter knows she cant afford to open up--especially to a man shes terrified to actually want...Full length new adult novel featuring a fiercely independent college senior and the tattooed chef who gets under (and over, and on) her skin.
