

Hard Hit

Some of the sexiest men in hockey think they have nothing left to lose. Challenge accepted. Collide: On his way home after losing his job, Shayne's bad day goes farther downhill when a truck slams into him. The sexy man who pulls him from the wreckage, seeing him at his lowest, is either the best or worst thing to happen to Shayne in a long time. Blow: By most people standards, Ryker is considered odd. As the only child of a notorious conman, he understandably has a few trust issues. Most men are willing to overlook his parentage and strange personality since these days he's better known as one of the hottest cover models around. Ryker knows his appearance pays the bills, but it also brought grief, stalkers, and one gorgeous cop into his life. There's one tiny problem with his new-found obsession, Grady other than being a part of organized law enforcement he also happens to be straight. Thrash: Henley has been perched on the edge of self-destruction for years. Drugs, alcohol, and dark fetishes are only a few of his vices. When the only man capable of controlling him turns his back for good, Henley finally crosses the line, losing everything. Kieran Steele is considered one of the most ruthless agents in the world of sports. His cutthroat tactics have never failed to land the deal of every athlete's dream. When he sets his sights on something, he always gets what he wants. What Kieran wants most is Henley.

Hit hard definition is - to be affected badly : to be harmed.
