

Dare to Love a Cowboy (Canton County Cowboys Book 2)

Dare to Love a Cowboy is a full-length, stand-alone novel of 50,000 words. It is the second book in the Canton County Cowboys series of modern western romance stories and is recommended for readers who enjoy contemporary romance with a touch of cowboy. A Chicago journalist meets the challenge of her life when her story leads her to the secrets, the temptations and the dangers of a lucrative Texas ranch. Paige's pen is as sharp as her mouth and even sharper than the corners on her hipster glasses, but when her fiery temper and her hunger for the truth lands her face to face with unemployment, she will do anything to keep her job... even spend three months on a Texas ranch. Everett, the no-nonsense, natural-born leader; the rockstar rancher and expert horseback rider, is less than thrilled to find out he will be hosting a city-slicker for the whole summer, and determined to make her life as hard as possible. Paige is certain to be miserable for the entire time and Everett can bet on her quitting in the first week, but both of them are in for a surprise when they find themselves drawn to each other like the opposite ends of two very volatile magnets.
