

## European Secrets: Madrid - Vol. One

Volume One of the European Secrets series! Annie is a former best-selling author whose complete devotion to her work has left her love-life, well, non-existent. She decides to spice things up and, with the help of her best friend and editor, decides on an outrageous plan to help her write her next best-seller: visiting four different men in four different cities all across Europe - 100% No-Strings-Attached! Her first stop is Madrid, where she meets the mysterious but charming Pedro. Annie cannot begin to imagine all of the surprises that Pedro has in store for her...nor the pleasures she will discover along the way. Now, what begins as a casual encounter quickly becomes a game she doesn't fully understand, and definitely does not control. But, just maybe, that is exactly what she needs...! Fans of Fifty Shades of Grey and Bared to You will love this spicy hot romance series with strong, independent women and sexy alpha heroes. Vol. 1 is a 7,000+ word novelette. It contains hot and heavy action, spicy descriptions, and sultry times. Read at your own risk...or delight! Praise for the European Secrets series: Good story, good read and I really liked the author's writing style. I would highly recommend this one.
