

Cowboy Up

When a torrid affair ruined his rodeo career, Rock Brennan turned to the sport of reining. Ready to reclaim his position at the top of his chosen sport, Rock arrives at the United States Equestrian Teams training camp ready to focus on his riding until he meets his too-sexy-for-his-breeches roommate, dressage diva Andreas Thorpe. Andreas has always had a thing for cowboys, and Rock is no exception. What starts as a training camp fling quickly becomes something more, but Andreas lifelong need for control keeps him from giving his heart to one sexy, gay rodeo cowboy. But theres one thing the cowboy has taught the dressage rider in love and life, sometimes youve got to cowboy up to face your fears.
