Between her new friends, Amy (self-proclaimed love psychic), Lexi (self-proclaimed nympho), and her drool-worthy neighbor, Holly knows her new life will be anything but dull. When she reluctantly agrees to throw a birthday party for Lexi, she assumes everythings under control. After a surprise guest arrives, Holly soon discovers its not. Will she be able to make it through the night without losing it? ** Warning! This lighthearted 13,000 word novelette contains bed-hopping women, vibrators, soaked white t-shirts, and a

misunderstanding not very conducive for a HEA ending. ** Hollys Crushed Out Holly wants the past to stay in the past. And when a double-date spoils and turns Holly into an idiot (her words), she also wants to forget the present. Oh yeah, she wants her mouth-watering neighbor to ravish her too. Sometimes you get want you want, and sometimes you dont. After an unexpected bit of news, Holly finds herself desperate to find a date for a dreaded upcoming wedding. She ignores the obvious solution to her dilemma, choosing to live in denial instead. After too many unexplained coincidences, she soon discovers fate has other plans for her. Will Holly continue to ignore all the signs right in front of her or will she finally get her happy ending? ** Warning! This lighthearted 25,000 word novella contains overindulgences, sucky wedding showers, pompous exes, serendipity, and a night to remember. **
