

Demons Are Forever: Confessions of a Demon-Hunting Soccer Mom (Book 3)

From New York Times and USA Today bestselling author Julie Kenner (aka J. Kenner) comes the third installment in the fun-tastic demon-hunting soccer mom series that began with *Carpe Demon: Adventures of a Demon-Hunting Soccer Mom*. Once again, Kate Connor has a problem. Several, actually. For one thing, her daughter has figured out that mom is a demon-hunter and wants to be just like her when she grows up. And there's that nagging suspicion that her dead husband has come back to life in the body of another man. Plus, her living husband still doesn't know her secrets. Not to mention the fact that she's acquired a mystical item that the entire demon community seems hell-bent on reclaiming. It's all in a day's work for this stay-at-home mom. But one thing is for certain: sometimes life in the suburbs really can be hell. The series is currently in development as a major motion picture with 1492 Pictures!
