>>MAIL ORDER BRIDE HISTORICAL WESTERN ROMANCE Two Historical Western Romance Books + Free Bonus Gift Included Kalini is traveling to a foreign land to marry a man she has never even met. The Wild West is nothing like her home country China, and as Kalini soon learns she is no more than just an outsider in this strange world. While she despises the idea of being sold as if she were property and being forced into marriage, she discovers that her soon to be husband is not quite the monster as she first thought. What Kalini doesn't know is the man who picks her up from the train station, was not the man she was due to be wed to. As Kalini and Sullivan fall deeply in love with each other, they both must choose between what is right and what is wrong. Will she be forced to leave the man of her dreams to marry yet another stranger? Will this dark and dangerous stranger do her harm? All the while her lover ponders if he is man enough to save her, if he could truly be Kalini's all American hero and cowboy after all?
