

The Teaching Power of Dreams: Using Your Dreams to Change Your Life

In *The Teaching Power of Dreams*, Sherry and Brad Steiger present a fascinating study of the value and importance of dreams. Eleven chapters discuss the correlation between dreaming and health, dreams that foretell the future or provide warnings, dreams of UFO contact, dream teachings from the future, finding your dream lover, and other provocative topics. A dream dictionary defining the various meanings of dream symbols is included. Several questionnaires also are included that allow the reader to better understand how life experiences affect dreams.
