

Kuts And Kurves: We work your body in more ways than one

Same book! New look! Welcome to Kuts and Kurves Fitness Center! Where our motto is: We work your body in more ways than one. We offer state of the art fitness equipment, step aerobics, spinning, yoga classes, rock climbing and so much more. When you're done with your workout take a dip in our Olympic size pool or relax in the dry heat sauna. Are you tired of feeling unmotivated or bored with the same old fitness routines? Well we have just what a body needs. There's a surprise around every corner when you take the plunge and join our community. Can't get rid of that stubborn body fat? Let one of our personal trainers treat you to a few private sessions. You're sure to burn those extra calories in no time when you experience a few of our sexercises. There's more to this facility than meets the eye. You see these walls hold many secrets. Just when you thought you were in the know of the latest club gossip, think again. Kuts and Kurves delivers drama to epic proportions. More than just your average pick up spot for sexy and not so sexy singles. There's conspiracy, adultery, a bit of danger, and some good old backstabbing to boot! If you're not careful you could become the next victim. Oh I know what you're saying I'll just stop in, do my work out then leave. That may be the case when you joined, but we ALWAYS find a way to suck unsuspecting members into the madness! Attention: Short story Explicit (straight) sex scenes Be sure to grab part 2!
