

New York Times bestselling author Karen Ranneys first novel in a brand-new series spins the intriguing story of a beautiful widow and a devilishly handsome shipbuilder. Seven years have passed since Glynis MacIain made the foolish mistake of declaring her love to Lennox Cameron, only to have him stare at her dumbfounded. Heartbroken, she accepted the proposal of a diplomat and moved to America, where she played the role of a dutiful wife among Washingtons elite. Now a widow, Glynis is back in Scotland. Though Lennox can still unravel her with just one glance, Glynis is no longer the naive girl Lennox knew and vows to resist him. With the American Civil War raging, shipbuilder Lennox Cameron must complete a sleek new blockade runner for the Confederate Navy. He cannot afford any distractions, especially the one woman hes always loved. Glyniss cool demeanor tempts him to prove to her what a terrible mistake she made seven years ago. As the war casts its long shadow across the ocean, will a secret from Glyniss past destroy any chance for a future between the two star-crossed lovers?
