

Billionaire Bound (The Complete Trilogy: Parts 1-3): A Dark New Adult Romance

From the untrained eye, it would appear Ciaran Cavanaugh has it all. He owns a sprawling real estate empire with the luxuries to match, possesses a chiseled jaw with piercing, mysterious eyes, and muscles that could turn heads on a dime. But he yearns for more control, more power. Bethany Monroe is quickly losing the little she does have. A struggling, curvy baker, she just moved to San Francisco from a small town in Wisconsin. As her bills pile, she fears that her dreams of owning her own bakery are falling apart. Just as Bethany is ready to pack it up, Ciaran strolls confidently into her bakery and offers a shocking proposal. Note: The Billionaire Bound series is a total of 45,000 words, or a full novel length. The series contains dark subject matter and elements of BDSM.
