The feisty Eliza Cooper encourages a group of women to demonstrate outside the saloon, where they voice their protests about the sin of gambling and alcohol. Sheriff Vince Turner arrives to break up the rowdy demonstration, and Eliza gives him so much sass she finds herself hoisted over his shoulder and carried off to the jailhouse where she earns herself the first of many a spanking over the big sheriffs lap. Despite her outrage, Eliza cant ignore the spark of attraction towards Vince, and when the handsome lawman asks her out to dinner, she is delighted. Eliza has a fiery temper, and can be an uncontrollable brat, but it seems that now she is the Sheriffs girl, she has at last found someone to tame her, someone who is caring and protective, someone who excels in showing her the many delicious ways a man can please his woman... **Disciplined by the Doctor:** Theres only one doctor in Springrock. His name is Sam Baxter and hes one good-looking guy. When Sheriff Keane finds a young woman slumped against the wheel of her car after she skidded off the road into a tree, he brings her in to Sams surgery. The new patient is 21-year-old Emma James, and shes small, cute and frightened. Feeling protective towards her, Sam takes her home that night to the house he shares with his younger sister, Rachel. It isnt too long before Emma finds that Sam doesnt hesitate to give a girl a good spanking when needed, and she soon begins to crave his expert attention. She

often gets in trouble and needs punishment to feel better again - a fact that Sam clearly recognises! Romance blossoms and Emma thrives in her new life. **Prairie Fire:** After the death of her father, his tempestuous daughter Prairie takes over the running of the Rosetta ranch. Its a big responsibility and things dont always go smoothly for the young ranch owner. But things begin to change with the arrival of Cash, the big handsome cowboy. One of the first things he does is to get rid of the lecherous thug, Rowdy Briggs, and he soon makes his presence felt in other ways. Prairie has been used to getting her own way and doesnt take kindly to being lectured by the more experienced Cash - he is a cowboy who doesnt hesitate to turn a sassy female over his lap for a spanking, and Prairie is no exception... her bottom often feels his hard hand descending. Sparks fly between the two of them, yet the sexual attraction simmers, and as the story unfolds, Cash wins Prairies respect and love. Not only does Cash tame horses, he also tames Prairie. **Angel and the Rancher:** At the reading of the Will following the death of her stepfather, 19-year-old Angel Meredith is surprised to learn that she and her younger brother, Billy, have been bequeathed equal shares in Red Rock Ranch in Fort Griffin. But she is even more surprised - and dismayed - to discover that Jordan Nash, her late stepfathers cousin, has been appointed as guardian to oversee their welfare until they reach the age of twenty-one. It isnt long before her incessant protests and arguments lead to a spanked bottom. Angels new life begins on the ranch and her bratty behaviour constantly lands her over Jordans knee for a spanking. She initially finds her new guardian an overbearing, arrogant bully, but gradually her feelings towards him change ... so when she hears he is to marry the spiteful Evelyn, she is heartbroken. But there is only one woman for Jordan, and he knows exactly who it is...
