

There's nothing more intense than a Key West sunset..... Getting wild in Key West was precisely what Sara Rose Kelley was about to do after spending years in an abusive marriage. But the moment her charter plane lands at the Southernmost point, her brother winds up missing, sending Sara on a manhunt with a sexy agent who hides his identity from her. Joshua Eden had enough secret agent sleuthing to last a lifetime. After a ten year undercover stint, all he planned to do for the next few months was drink fine whiskey and watch the sun set each night. He had no intentions to help out the newly divorced blonde who interrupted his cozy life. Especially when she pulled out an itinerary that said she was going to boink the hottest guy in Key West.
