

## The Cowboys Saving Grace, an erotic western novella (Taming the Cowboy Book 2)

The sequel to the 2012 novella, *At the Cowboys Mercy*. Bronc rider Liam Delaney has earned a place in the National Finals Rodeo in Las Vegas for the second time in his career. But before he rides, he wants to look up the woman he'd spent two weeks with, four years ago. Though she'd been a stripper, she'd seemed like so much more than that. They'd had fun together, and when he thought about his last visit to the finals, he thought about her. He's looking for a repeat. Grace Bertrand doesn't strip anymore, but she's still working at the same club when Liam walks in. She never thought she'd see him again once the rodeo left town, had banked on that. For some reason, he was the one man she couldn't forget. Now he's back, looking for the same kind of fun they had last time. Though she knows she should refuse, one look at him is all it takes. She's been alone too long, and he's just the cure for that loneliness. But after a night with him, she remembers she's not the person she used to be. The problem is, the person she is now is just as attracted to Liam as the old her. And she has no idea what to do about it.
