

Faithfully Yours (The Forever Time Travel Romance Series, Book 1)

Time traveler Faith Valentines wedding night promises a lifetime filled with love and happiness. Little does she realize, the passion that brought her and Aidan together will also rip them apart. Aidan Valentine has a modest farm, a beautiful wife, and a neighbor who has too much interest in both. Faith has entered his life on more than one occasion, but the truth behind her odd disappearances leave him shocked and confused. Wrenched from her husband on the happiest night of her life, Faith is thrown back in time to a cruel, past life. A family legacy she cant control is her only hope of returning to Aidan. Faith will stop at nothing to return to the man she loves, even if it will kill her.
