

Devins Dilemma (The Victorians Book 2)

Brighton, England, 1856. For young solicitor-at-law Devin Bennett, building his career is his foremost goal. Love and the future are far from his thoughts. So when he makes a business connection to Sir Malcolm Fletcher, his main concern is to disentangle the mans complicated finances.

The last thing he expects is Harry. Ladys maid and chaperone to Fletchers daughter, Harry is an intense, intelligent and interesting girl Devin cant stop dreaming about. But Devin is aware Harry is hiding something dark from him, something that might just tear them apart and whisk Harry off to the far side of the world and into a dangerous situation. From the sea-swept beauty of Brighton to exotic Bombay, the Bennett family saga continues in another tale of love beyond the limits of injustice.
