

For You I Will (Mills & Boon Kimani Arabesque) (Sag Harbor Village, Book 4)

Mellow sun-kissed days turn into sultry nights made for mutual pleasure. After ten years of service as chief of the E.R. at a New York City hospital, Dr. Kai Randall decided to trade her scrubs for a calmer existence in Sag Harbor Village. The only thing that has interrupted her serenity in months is the photo she snapped of a handsome, solitary stranger. The image haunts her. But that's nothing compared to how she feels when she comes face-to-face with the man from her dreams. When Assistant District Attorney Anthony Weston barges into Kai's house frantically looking for his young daughter, he meets one beautiful complication. Anthony's career ambitions caused him to lose his marriage—and now he's on the cusp of a huge promotion. His life is in the city that Kai left behind, but his heart is in the soul-stirring passion they share. Is this just another sizzling summer fling or could this be the beginning of forever?
