

## Return to Sender (Invitation To Eden)

Lauren Summers leads a life of routine, rules and lists. She doesn't have time for romance or excitement and certainly not for mysterious invitations that tempt her to break all her own rules. The only solution? Return it. It wasn't meant for her anyways. But while she's determined to rid herself of temptation, someone from her past has other ideas. **WARNING:** This is a SWEET ROMANCE novella full of love, laughter, soul mates and chocolate. LOTS AND LOTS OF CHOCOLATE. If you read Sweet Memories or Sweet Dreams from the Decadent Event Series, you will recognize characters in this story.
