

The Art of Language Invention: From Horse-Lords to Dark Elves, the Words Behind World-Building

An insiders tour through the construction of invented languages from the bestselling author and creator of languages for the HBO series Game of Thrones and the Syfy series Defiance From master language creator David J. Peterson comes a creative guide to language construction for sci-fi and fantasy fans, writers, game creators, and language lovers. Peterson offers a captivating overview of language creation, covering its history from Tolkiens creations and Klingon to today's thriving global community of conlangers. He provides the essential tools necessary for inventing and evolving new languages, using examples from a variety of languages including his own creations, punctuated with references to everything from Star Wars to Michael Jackson. Along the way, behind-the-scenes stories lift the curtain on how he built languages like Dothraki for HBO's Game of Thrones and Shivaith for Marvel's Thor: The Dark World, and an included phrasebook will start fans speaking Peterson's constructed languages. The Art of Language Invention is an inside look at a fascinating culture and an engaging entry into a flourishing art form and it might be the most fun you'll ever have with linguistics.

- 8 sec The Art of Language Invention: From Horse-Lords to Dark Elves the Words Behind World The Art of Language Invention: From Horse-Lords to Dark Elves, the Words .. Though this is written by the linguist behind Game of Thrones Dothraki, this isn't a . as the language of Shivaith for the movie Thor 2: The Dark World and most .. as a kind of how-to in the mysterious craft of building a language in a bottle. David Peterson's language work transformed our show, investing it with a sense of reality and history that would have been impossible without him. There's nothing like the real thing, and David Peterson is it. David J.
