When Alexandra Turner takes a job at the eerie Tudor mansion, Halton Cray, she needs all her wit and spirit to cope with the enigmatic Thom Rues. While a near constant fog envelopes the estate, Alex begins questioning the bizarre things she's seeing around him as gossip circulates that Thom is more than just different. Determined not to let rumours influence her, Alex tries to learn who he really is, even as he provokes her with his dark sense of humour. But discovery of Thom's terrible secret propels Alex's life in a direction she could have never predicted.
