

A Simple Yes: a novella (A Quiet Life Book 3)

Kansas 1886 Sam Haid is desperate to take his sister Caroline back to Texas because he feels he abandoned her years earlier. Caroline is afraid of being lonely and wants to bring her friend Ruth along. Ruth longs to go but her father won't allow her to leave home unless she is married. The answer to everything is completely obvious. Practical even. But will it be as simple as Sam and Ruth believe?
