

Whiskey Dreams (Sleepy Hollow Book 1)

The war that won the country its independence also lost many of the men who fought to achieve it, including Brom's lover. Years later, he still feels as if he left half of himself on the battlefield. When a new schoolmaster comes to Sleepy Hollow, a spark and a whiskey-flavored kiss ignite feelings he thought were long dead. But in order to be with John, he'll have to let the past be the past, or risk letting it destroy his opportunity to start over. And even then, loving another man is a dangerous endeavor. Whiskey Dreams is a historical M/M romance, and contains explicit content that is suitable for adult readers only. Whiskey Dreams is a M/M novella that functions as a prequel to the M/M/F novel Haunted Passions. Whiskey Dreams tells the story of how John & Brom first met and began their relationship before falling in love with Katrina, too. Whiskey Dreams is a novella of approximately 25,000 words. Also contains an additional brief (1,500 word) excerpt from Haunted Passions.
