

Time Travel Romance: Highlander Inclination (Historical Time Travel Romance) (New Adult Comedy Romance Short Stories)

Alyse is a graduate student in Scottish history researching the highland clans in the 18th century at the time of the Battle of Culloden. She wanted to meet an authentic highlander all her life. One day she takes a trip up to an archeological site above Inverness to prove a thesis. But she's whisked back in time to the eve of the battle. Donnan is a lonely highland Scottish sheep farmer tending his flock in 1745 when a woman appears to him at a pond where he is bathing. She is able to communicate with him and he's excited that a voluptuous woman has appeared before him, ending his years of isolation. He takes her back to his small abode. Alyse can't believe her good fortune to have met a real highlander still living the same way his people did hundreds of years ago. She has fallen in love with the man of her dreams, but where is his cell phone so she can call the police and tell them somebody stole all her clothes? Donnan has decided she's a gift from heaven and takes this lovely girl back to his hut. She wants his love, he can tell. But neither of them realize a historical event is about to take place in the next few days. Alyse still thinks she's in the twenty-first century. Donnan doesn't know he's about to be called up to battle. Will their love span space and time? Warning! This ebook contains explicit scenes of passion and desire. For adult eyes only!!!
