

# Horse Wise: Thinking Outside the Stall Other Lessons I Learned from My Horse

Horses teach lifes great lessons--keep it simple; learn to think differently; lead by respect, not dominance; consider the horses perspective. Horse Wise is full of horse sense and human common sense. Horsewoman and author Cheryl Kimball uses endearing real life stories of working with horses to tell readers what her horses have taught her about managing a company, being a leader, and how to live everyday life more deeply and authentically.
