

Have you ever been sick of your life? Have you ever had everything taken from you? That is what has happened to Dan McAlester. Dan is a businessman from the east who has lost his wife and feels completely dissatisfied with his career. He wants more. There must be more out there for him than this. There must be more meaning to life than what he's found so far. On a trip to a run-down mall, he stumbles across a store with a Texas theme. The store and a recurring dream inspire him to leave the world he knows and set out on a wild adventure to become a rodeo cowboy. Along the way, he meets some valuable friends and some cruel enemies. He finds the woman of his dreams and searches for God. Ride along with Dan as he searches for a life worth living. Word count is 106,731.
