

Tax Storm

America is being swept with a Tax Storm; a massive hurricane of blatant and disguised taxes, stiff rules, tough regulations, heavy penalties, and confusing forms. With the nation already reeling it is high time to find a strategy to weather the gale and fight back. National Tax Authority Karla Dennis is boldly and proudly leading the charge! Tax Storm is Karla Dennis newest book. It explains with clarity, common sense and a touch of humor how we got to this point with taxes. Included are some famous tax stories, what is coming along in this tax tumult, and how to build a practical ark to protect yourself and survive it all. Mountains of tax books appear every year. By April 16th they are obsolete. Here is one volume you can retain and refer to for years to come. This is the one book on taxes you will actually enjoy reading and sharing. It will continue to bolster you against the pounding of taxes through the coming years.
