

## Hunted (Dark Protectors Book 3)

Ready Or Not Moira Dunne is a witch--the quantum physics kind. Time and space are her playthings. Which might explain why her one-night stand from a hundred years ago has turned up to claim her--and request her familys assistance with the war hes brewing. But the more she learns about Connlan Kayrs, the more she comes to think this is normal behavior for him... Theres Nowhere To Hide When Conn and Moira tumbled on the moonlit grass, Conn hadnt meant to mark her as his mate for all time. She was only twenty! But it wasnt easy to wait for her. It was even harder to forget her. So when he finally returns for his wicked-hot witch, hes ready to let the sparks flying. Even if he burns up in flames...
