

## Im In Love With A CokeBoy

Nisy is a naive, misunderstood young lady still trying to find herself. The only time she's happy is when she's drowning her sorrows with a bottle of liquor. She and her best friends are always there for each other; even though it's a mole within their circle. Now with their friendships being tested and the closeness they've shared is drifting apart, Nisy finds herself drawn to a good looking, street hustler by the name of Block. Block is there to hold her hand and reassures her of her needs and wants. His dreamy eyes give her the perception that everything is going to be okay. However, being in love with a CokeBoy isn't as easy as she thought it'd be. And, being happy with a man that she feels is her soul mate now comes with a price to pay. Will their love outweigh the trials and tribulations of the fast life? Or, will the street life continue to be his first love? This Debut release is filled with lots of drama, deceit, heartache and scandal.
