James Mac Maccaris career in the mafia is at a standstill. As the best solider in his Capos crew, all he wants is to be noticed enough to get Made in the Pivetti Crime Family. But instead, his Capos interests seem more focused on keeping his solider hidden from the boss, and every other Made man he can. Seemingly stuck right where he is with no chance of going up, Mac doesnt know what will finally get him the attention he needs to earn his button. Until she shows up and all eyes are on them Melina Morgan survivesthats just what she does. Shes never been able to depend on anyone but herself to keep her safe and get things done. When a chance encounter puts her in a bad situation with the cops and the mafia, Melina has no choice but to put her faith in the hands of a man that not only infuriates her with his cocky arrogance, but catches her interest, too. Playing pretend in a fake relationship with Mac doesnt seem all that terrible, until pretend turns real and bullets start to fly. A man is nothing without his woman When the attention on Mac and Melina turns from bad to worse, and someone in the Pivetti Crime Family decides the couple needs to go, they know theyre fighting an uphill battle alone. But making it to the end alive means Mac could get what hes always wanted, and Melina might find what she didnt even know she needed. Together, theyll make waves the mafia has no choice but to notice
