A ranch, a genie and a very, wary ex-wife  
When a genie buys a ranch, whats the worst that could happen? A lot when his not-so-cowgirl, ex-wife shows up with a dead body in her wake and a piss poor explanation for it. This sure as crap wasnt how Fazil imagined their reunion going. The last thing Rosa needed was to come groveling to the alpha jerk she married a century ago. Once she gets rid of her little corpse problem, she wont have to see Fazil ever again. Assuming, of course, she can keep her mind off his lamp and her heart in hand.
