

The Old Game: A Retrospect After Three and a Half Years on the Water-Wagon (Classic Reprint)

Excerpt from *The Old Game: A Retrospect After Three and a Half Years on the Water-Wagon* In a few minutes it will be three years and a half since I have taken a drink. In six years, six months, and a few minutes it will be ten years. Then I shall begin to feel I have some standing among the chaps who have quit. Three years and a half seems quite a period of abstinence to me, but I am constantly running across men who have been on the wagon for five and ten and twelve and twenty years; and I know, when it comes to merely not taking any, I am a piker as yet. However, I have well-grounded hopes. The fact is, a drink could not be put into me except with the aid of an anesthetic and a funnel; but, for all that, I am no bigot. I look at this non-drinking determination of mine as a purely individual proposition. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
