

## Unexpected Dreams: Dream Series, Book 4

Divorce is a big change... But there are bigger ones. A few months after his divorce and many failed blind dates, Greg Fairchild met Tanner Williams. What started out as a good friendship unexpectedly turned into something that Greg didn't know what to do with...attraction. Why would he be attracted to a man? He had been a ladies man back in the day. He was married for more than 20 years - to a woman... He fathered three children with that woman... He was a Republican! Was this unexpected development a mid-life crisis? Or had he been living a lie all these years
