

One Week in Wyoming (One Week in Love)

Four couples, seven hot winter nights... When best-selling romance author Joan Halliday invites four single female writers to stay at her family's luxurious Wyoming lodge, she's counting on a quiet week of bonding on the slopes and in the spa. Bruce Halliday was looking forward to a relaxing reunion with his college buddies in the wilds of Wyoming but when his wife's group meets Bruce's unattached friends, the sparks start to fly. Four stories by Alexis Anne, Audra North, Julia Kelly, and Alexandra Haughton heat up the page in one sexy anthology. Undressing Cara by Alexis Anne Eli Pierce is Seattle's most eligible bachelor. He's sexy, rich, arrogant and completely wrong for Cara Sinclair not that it stopped her from using him as the inspiration for her latest best-selling novel. In fiction, she stripped away everything she didn't like about Eli, and replaced it with the makings of a true romantic hero. There's only one problem: Cara has no idea she's about to spend a week with the real Eli Pierce at her friend's Wyoming lodge and in an unexpected twist, Eli had a crush on Cara all this time. What happens when Cara learns that Eli is a lot more like her fictional hero than the man in the tabloids? Can a week in the snow turn two long-distance crushes into true love? There's One Week in Wyoming to find out! Off-Piste by Audra North Leah Christos is about to give up on her dream of becoming a writer because she's afraid of taking chances. Quitting her job to write full time is simply too risky. Jasper Brandt is looking for excitement to liven up his dull life. He's the last person that safe-loving Leah should be hooking up with. But when they get together at their friend's Wyoming lodge, they might end up taking the greatest chance of all Seduction in the Snow by Julia Kelly Lydia Reeds had her heart stomped on one too many times, so when the gorgeous, glasses-wearing Evan Sullivan winds up at the same Wyoming
